## Barbara Bergsten Designs

Spend your internship creating and designing new concepts for needlepoint.

Are you an artist? Do you like to paint? Learn how to translate your ideas onto needlepoint canvas. If your interests include color, form and interior design, your inspiration could lead to the next must-have throw-pillow, wall hanging, Christmas decoration . . . or even a handbag. You don't need to have experience in needlepoint . . . but we can guarantee your experience researching the next season's color palettes will come to good use.
